Qatar

Company Overview:

BASMED Health Sciences FZC, guided by seasoned leaders with over 20 years of expertise in the healthcare sector within the Gulf Cooperation Council (GCC) markets, has grown from humble beginnings into a significant presence in the industry. Initially starting as a distributor of **hospital, dental, and aesthetics supplies through its retail unit in Kuwait**, the company has focused on providing consumables, instruments, devices, equipment, and furniture.

Over time, BASMED has expanded its operations to include the **UAE, Qatar, and Oman**, leveraging these markets to gain valuable insights into customer needs. Currently, plans are underway to extend its reach further into Bahrain and Saudi Arabia, with the ultimate goal of covering the entire GCC region

BASMED Group

Our Mission

At BASMED Group, our mission is to provide exceptional healthcare products and services at competitive prices while **maintaining the highest standards of quality**. We are committed to a **customer-focused approach**, delivering unmatched support to empower our clients in **providing superior healthcare solutions**.

Our Vision

At BASMED Group, our vision is to establish a **strong presence in the Gulf region's healthcare and life sciences markets**. We aim to achieve this by providing comprehensive solutions, leveraging the expertise of **our team**, and **fostering collaborative relationships with manufacturers, suppliers, and distributors**.

Our Core Values

1. **Customers-Centricity:** We prioritize the needs of healthcare service providers, delivering high-quality products and services that improve healthy outcomes.

2. **Integrity:** We operate with transparency, honesty, and ethics in all our interactions, building trust with customers, partners, and stakeholders.

3. **Quality Excellence:** We strive for excellence in everything we do, ensuring our products and services meet the highest standards of quality, safety, and efficacy.

4. **Innovation:** We foster a culture of innovation, continuously seeking new and better ways to meet the evolving needs of healthcare professionals and patients.

5. **Collaboration:** We believe in the power of collaboration, working closely with customers, partners, and stakeholders to deliver solutions that make a meaningful difference.

6. **Accountability:** We take ownership of our actions and decisions, being accountable for the quality of our products and services, and the impact they have on patients and healthcare professionals.

7. **Compassion:** We demonstrate empathy and compassion in all our interactions, recognizing the critical role we play in supporting the health and well-being of patients and communities.

8. **Employee Focus :** We ensure Employee Well-Being, Professional Growth & Learning, Respect & Inclusion, Recognition & Appreciation and Empowerment & Innovation .

Our Company Journey

EVOLUTION & MARKET EXPANSION

Market Coverage

Focused Regional Strategy: GCC Markets

Traditionally, the Middle East & North Africa (MENA) region, known as the Arabic-speaking world, has been our operational segment. To better capitalize on high-potential, fast technology-adopting markets, we have strategically narrowed our focus to the **Gulf Cooperation Council (GCC) countries**.

The ambition of Qatar 
The power of Saudi Arabia 
The innovation of the UAE 
The beauty of Oman 
The organisation of Bahrain 
The potential of Kuwait 

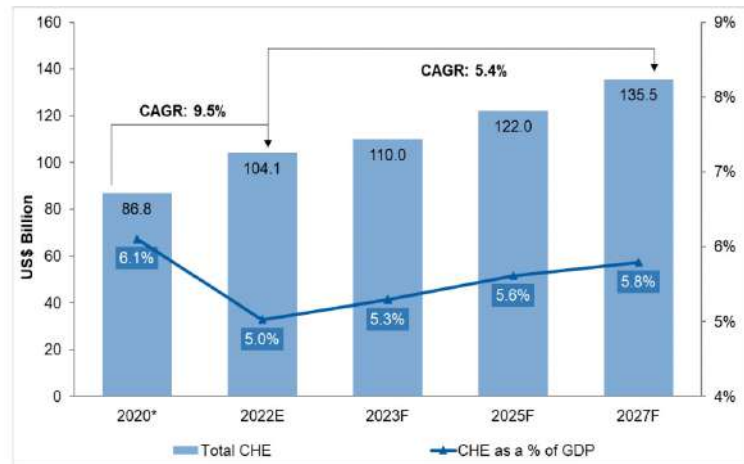

Technology, Innovation, Sustainability, Human-tailored solutions.

GCC is home of the New World's Renaissance.

Exhibit 27: Forecast of CHE in the GCC

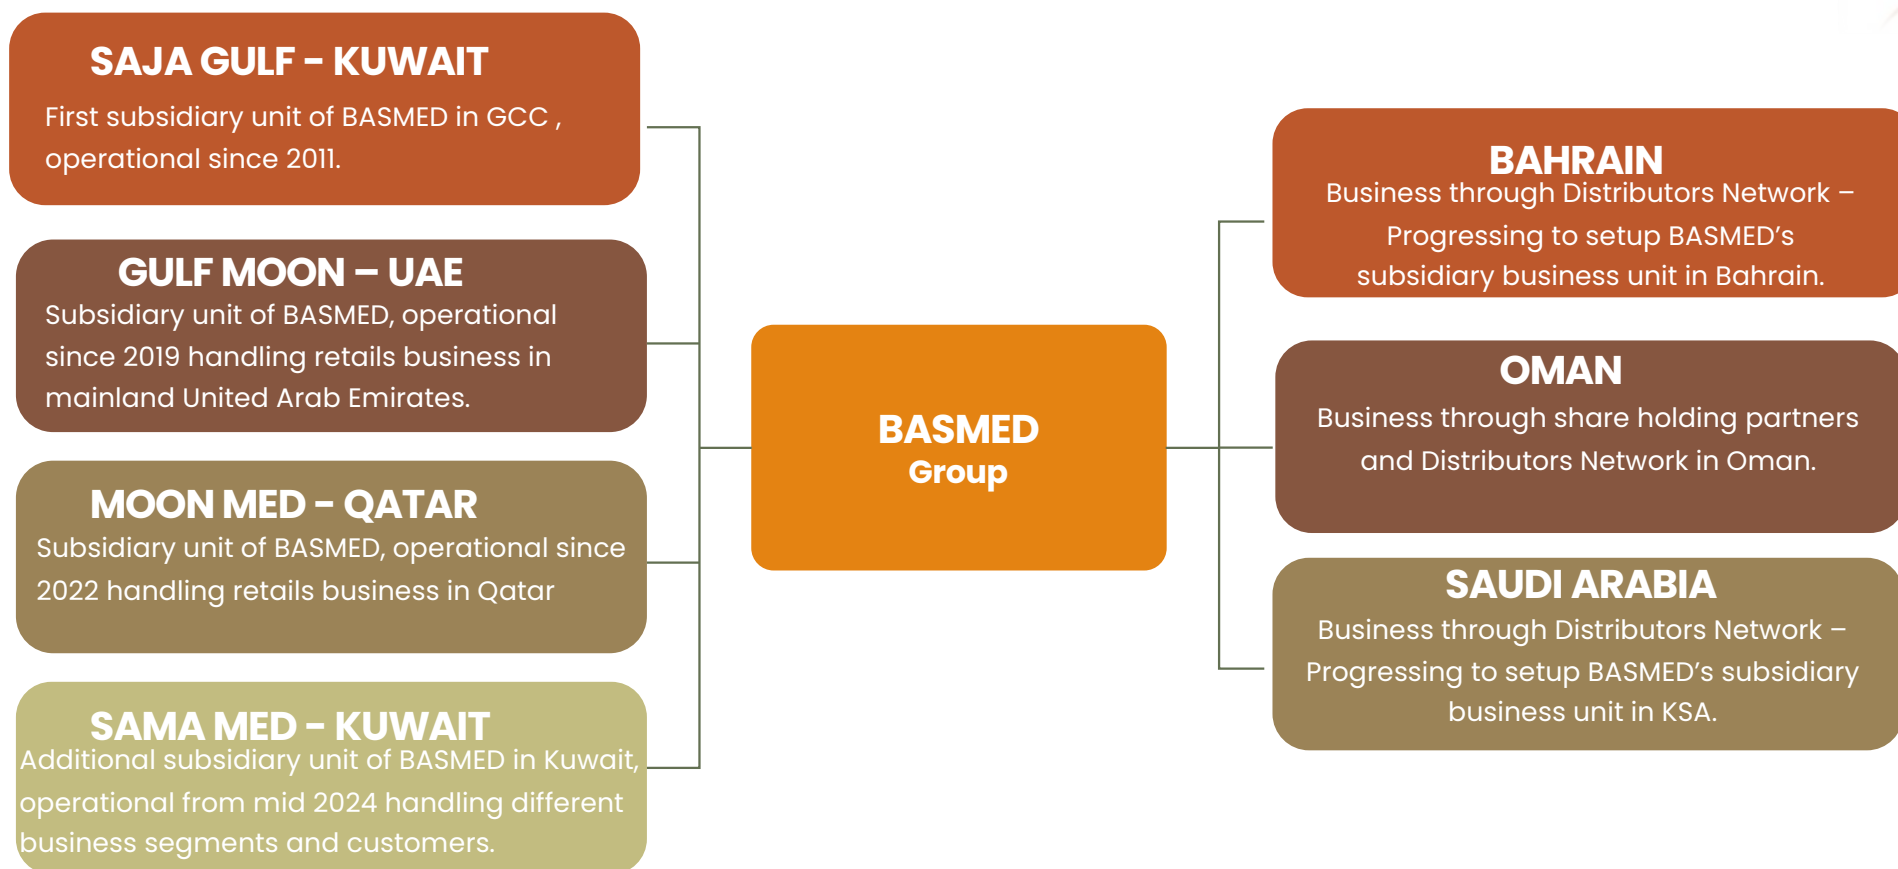

GCC Healthcare industry

Mar 20, 2023: Alpen Capital's latest healthcare industry report for the GCC projects the current healthcare expenditure (CHE) in the region to reach **US\$ 135.5 billion in 2027**, implying an annualized growth rate of 5.4% from US\$ 104.1 billion in 2022. During the forecast period, CHE in the GCC countries is anticipated to increase at growth rates ranging from 4.4% to 7.4% (**Fig. Exhibit 27**).

BASMed – Brand

BASMed creates its own product lines through OEM/ODM collaborations with manufacturers operating state-of-the-art facilities in China, Korea, Malaysia, India, and other countries. Each product in our brand portfolio is carefully selected and highly customized to meet the specific needs of our regional customers.

LANMED – China , a joint venture unit of BASMed

- ❑ In 2019, BASMed Group entered a joint venture in China, establishing "Chengdu LANMED International Trading Co."
- ❑ Focuses on identifying and evaluating OEM/ODM partners.
- ❑ Oversees quality assurance and control (QA/QC) processes.
- ❑ Manages shipment logistics from China to Gulf countries.

BASMed – Managed Business Services

A comprehensive B2B solution tailored for manufacturers seeking to establish and expand their presence in the GCC region. Designed to support regional distributors at both the startup and growth phases of their operations.

Our Solutions for Manufacturers

BASMED Managed Services offers end-to-end solutions designed to help manufacturers overcome these challenges and achieve success in the GCC market. Our services are flexible and tailored to the level of engagement throughout your business cycle:

- **Regional Subsidiary Services**

We act as your regional subsidiary in the GCC, amplifying your brand presence and fostering customer trust.

- **Master Distributor Services**

As your exclusive GCC distributor, BASMED takes full responsibility for product import and distribution through our vast network of Allied Distributors.

Manufacturer's Challenges expanding into GCC Markets

At BASMED, we've gained a deep understanding of the challenges manufacturers face when seeking to expand in the GCC region. Key obstacles include:

- Limited sales force presence or bandwidth for market coverage.
- Difficulty finding distributors with the right expertise and focus.
- Lack of tailored business development strategies for the region.
- Insufficient knowledge of local market dynamics and regulatory protocols.
- Challenges accessing the right customers.
- Managing & Tracking Distributors activities.

BASMed – Managed Business Services / Success Story

DONGPIN – China

- ❑ BASMed entered an MOU with "Dongpin Intelligent Health Technology Co. LTD," a reputed manufacturer of hospital and spa furniture in China to establish its subsidiary in UAE.
- ❑ Together, we established "**Golden Crown Furniture Trading LLC**" in the UAE.
- ❑ Provides furniture solutions for hospitals, healthcare facilities, cosmetic centers, beauty salons, and Spas.
- ❑ Features a state-of-the-art showroom and well-stocked warehouse in UAE to meet regional demands efficiently.
- ❑ BASMed Group efficiently operating and managing business of DP Subsidiary.

BASMed – Managed Business Services / Success Story

Distributor Establishment & Start-up Programs:

BASMED MBS provides tailored solutions to help established distributors diversify their portfolios, as well as support for individuals looking to start their own healthcare business in the region.

Through our “Incubatory Program,” MBS also offers tailored services to distributors in the GCC region, helping them enhance their market presence with expert guidance.
